

Historic Tour

Come explore the medical history of
the Willamette University Campus

May 2, 2020 9-11am

Meet at the Hatfield Library @ 9am
900 State St, Salem, OR

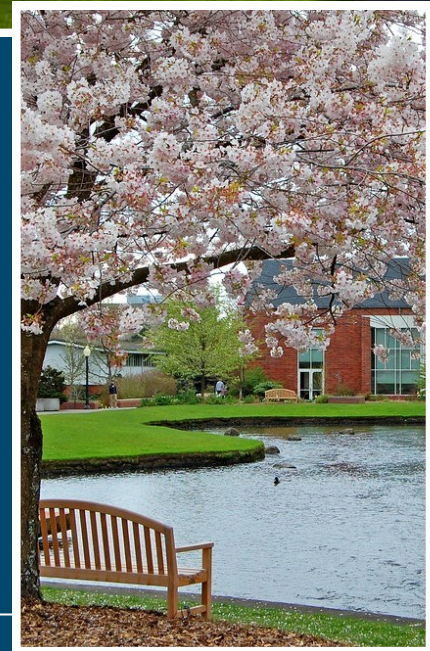

150 YEARS
1870-2020

Marion-Polk County
Medical Society

ADVOCATE. COLLABORATE. EDUCATE.

It was members of our society who founded the Willamette University College of Medicine in 1867, then located in Waller Hall, later relocating in 1905 to their own campus building, still standing, complete with its anatomy lab. We will also view archival artifacts. Your tour guides will include Willamette University's architectural expert Dr. William Willingham, PhD, and Historical Tidbits contributor Howard Baumann, MD.
